REMARKS

This submission is made in response to a Notice of Drawing Inconsistency with Specification. This submission adds to the brief description of the drawings portion of the specification a description of FIG. 9A and FIG. 9B. The content of these descriptions was copied for the detailed description portion of the specification, so the textual addition of this amendment adds no new matter to the application.

This application is now believed to be in proper condition for issuance.

No fee is believed to be due in connection with this submission. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to Hewlett-Packard Company's deposit account No. 08-2025.

Respectfully submitted,
